WHEREAS, the Owner Participant (such term and all other capitalized terms used herein being defined as hereinafter provided; all other terms used herein that are defined in the Trust Indenture Act, either directly or by reference therein, have the meanings assigned to them therein, except that the "obligor" within the meaning of the Trust Indenture Act shall be the Lessee for all purposes of this Indenture) and the Owner Trustee, in its individual capacity, have entered into the Trust Agreement whereby, among other things, (i) the Owner Trustee establishes a certain trust for the use and benefit of the Owner Participant, subject, however, to the Indenture Estate created pursuant hereto for the use and benefit of, and with the priority of payment to, the Holders and (ii) the Owner Trustee is authorized and directed to execute and deliver this Indenture;

WHEREAS, the Owner Trustee and State Street Bank and Trust Company of Connecticut, National Association, as Indenture Trustee (the "Indenture Trustee") entered into the Trust Indenture and Security Agreement (SPTC Trust No. 1994-2) dated as of June 29, 1994 (the "Original Indenture");

WHEREAS, the Owner Trustee and the Indenture Trustee entered into Trust Agreement and Indenture Supplement No. 1 (the "Supplement") dated June 29, 1994 to the Original Indenture;

WHEREAS, the Original Indenture and the Supplement were recorded with the Interstate Commerce Commission (Recordation Nos. 18859-A and 18859-C) and were deposited with the Registrar General of Canada on June 29, 1994;

WHEREAS, pursuant to Section 5 of the Refunding Agreement, the parties thereto have agreed that the Indenture Trustee under the Original Indenture shall resign and be replaced in such capacity by the Loan Trustee;

WHEREAS, all things necessary to make this Indenture the legal, valid and binding obligation of the Owner Trustee and the Loan Trustee, for the uses and purposes herein set forth, in accordance with its terms, have been done and performed and have happened.

GRANTING CLAUSE

NOW, THEREFORE, THIS TRUST INDENTURE AND SECURITY AGREEMENT WITNESSETH, that, to secure the prompt payment of the principal of and interest and premium, if any, on and all other amounts payable from time to time with respect to the Equipment Notes from time to time outstanding hereunder and the performance and observance by the Owner Trustee of all the agreements, covenants and provisions herein and in the Equipment Notes all for the benefit of the Loan Trustee and the Loan Participants, and for the uses and purposes and subject to the terms and provisions hereof, and in consideration of the premises and of the covenants herein contained, and of the acceptance of the Equipment Notes by the Loan Participants, the Owner Trustee has granted, bargained, sold, assigned, transferred, conveyed, mortgaged, pledged and confirmed, and does hereby grant, bargain, sell, assign, transfer, convey, mortgage, pledge, and confirm, unto the Loan Trustee, its successors and assigns, for the security and benefit of the Loan Trustee and the Loan Participants from time to time, a security interest in and mortgage lien on all estate, right, title and interest of the Owner Trustee in, to and under the following described property, rights, interests and privileges insofar as it does not constitute Excepted Property (which collectively, including all property hereafter specifically subjected to the lien of this Indenture by any instrument supplemental hereto, but excluding the Excepted Property, being herein called the "Indenture Estate") (and subject to the Owner Trustee's and Owner Participant's right under Sections 4.04 and 8.05), to wit:

- (1) the Lease, including, without limitation, all amounts of Basic Rent, Supplemental Rent, insurance proceeds and other payments of any kind for or with

respect to the Equipment, subject to Lessee's rights under the Lease, including, without limitation, Lessee's right of quiet enjoyment;

(2) the Purchase Agreement and the Purchase Agreement Assignment;

(3) the Equipment and all replacements of any Units thereof and substitutions therefor in which the Owner Trustee shall from time to time acquire an interest under the Lease, all as more particularly described in the Indenture Supplement and Lease Supplement executed and delivered with respect to the Equipment of any such replacements thereof or substitutions therefor, as provided in this Indenture and the Lease;

(4) all requisition proceeds with respect to the Equipment or any Unit (to the extent of the Owner Trustee's interest therein pursuant to the terms of the Lease);

(5) all monies and securities now or hereafter paid or deposited or required to be paid or deposited with the Loan Trustee pursuant to any term of any Operative Agreement or required to be held by the Loan Trustee hereunder or thereunder; and

(6) all proceeds of the foregoing.

Concurrently with the delivery hereof, the Owner Trustee is delivering to the Loan Trustee executed counterparts of the Trust Agreement and the original executed counterpart of the Lease and Lease Supplement.

Notwithstanding the foregoing provisions:

(a) there shall be excluded from the foregoing sale, assignment, transfer, conveyance, mortgage, pledge or security interest granted by this Indenture and from the Indenture Estate all Excepted Property;

(b) (i) whether or not a Lease Event of Default shall occur and be continuing, the Owner Trustee and the Owner Participant shall at all times retain the right, to the exclusion of the Loan Trustee (A) to Excepted Property and to commence an action at law to obtain such Excepted Property and (B) to adjust Basic Rent, Stipulated Loss Value, Termination Value and EBO Amount as provided in Section 2.6 of the Participation Agreement;

(ii) whether or not a Lease Event of Default shall occur and be continuing, the Owner Trustee and the Loan Trustee shall each retain the right to receive from the Lessee all notices, certificates, reports, filings, opinions of counsel, copies of all documents and all information which the Lessee is

permitted or required to give or furnish to the "Lessor" pursuant to the Lease or to the Owner Trustee pursuant to any other Operative Agreement, to give any notice of default under Section 14 of the Lease and to declare the Lease in default in respect thereof and to retain the right to cause the Lessee to take any action and execute and deliver such documents and assurances as the "Lessor" may from time to time reasonably request pursuant to Section 16.2 of the Lease; and

(iii) so long as no Indenture Event of Default shall have occurred and be continuing (but subject to the provisions of Section 8.05), the Owner Trustee shall retain the right, to the exclusion of the Loan Trustee, to exercise all rights of the "Lessor" (but not the rights of the "Loan Trustee") under the Lease (other than the right to receive any funds to be delivered to the "Lessor" under the Lease (except funds which constitute or are delivered with respect to Excepted Property));

(c) the leasehold interest granted to the Lessee under the Lease shall not be subject to the security interest granted by this Indenture, and nothing in this Indenture shall affect the rights of the Lessee under the Lease so long as no Lease Event of Default has occurred and is continuing; and

(d) as between the Owner Trustee and the Loan Trustee, so long as no Indenture Event of Default shall have occurred and be continuing, nothing contained in this Granting Clause shall prevent the Owner Trustee, as the "Lessor" under the Lease, from seeking specific performance of the covenants of the Lessee under the Lease relating to the protection, insurance, maintenance, possession and use of the Equipment and from maintaining separate insurance with respect to the Equipment to the extent permitted by Section 12 of the Lease.

TO HAVE AND TO HOLD all and singular the aforesaid property unto the Loan Trustee, its successors and assigns, in trust for the benefit and security of the Loan Trustee and the Holders from time to time, without any priority of any one Equipment Note over any other Equipment Note, and for the uses and purposes, and subject to the terms and provisions, set forth in this Indenture.

It is expressly agreed that anything herein contained to the contrary notwithstanding, the Owner Trustee shall remain liable under each of the Operative Agreements to which it is a party to perform all of the obligations, if any, assumed by it thereunder, all in accordance with and pursuant to the terms and provisions thereof, and the Loan Trustee and the Holders shall have no obligation or liability under any of the Operative Agreements to which the Owner Trustee is a party by reason of or arising out of this assignment, nor shall the Loan Trustee (unless the Loan Trustee shall have become the

"Lessor" under the Lease) or the Holders be required or obligated in any manner to perform or fulfill any obligations of the Owner Trustee under or pursuant to any of the Operative Agreements to which the Owner Trustee is a party or, except as herein expressly provided, to make any payment, or to make any inquiry as to the nature or sufficiency of any payment received by it, or present or file any claim, or take any action to collect or enforce the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

The Owner Trustee does hereby constitute the Loan Trustee the true and lawful attorney of the Owner Trustee, irrevocably, with full power (in the name of the Owner Trustee or otherwise) to ask, require, demand, receive, compound and give acquittance for any and all moneys and claims for moneys due and to become due to the Owner Trustee (other than Excepted Property), under or arising out of the Lease (subject to the provisions of Section 8.05(b)(1)), or to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Loan Trustee may deem to be necessary or advisable in the premises. The Owner Trustee has directed the Lessee to make all payments of Rent (other than Excepted Property) payable to the Owner Trustee by the Lessee and all other amounts which are required to be paid to or deposited with the Owner Trustee pursuant to the Lease (other than Excepted Property) directly to the Loan Trustee at such address as the Loan Trustee shall specify, for application as provided in this Indenture. The Owner Trustee agrees that, promptly on receipt thereof, it will transfer to the Loan Trustee any and all moneys from time to time received by it constituting part of the Indenture Estate, for distribution by the Loan Trustee pursuant to this Indenture, except that the Owner Trustee shall accept for distribution pursuant to the Trust Agreement any amounts distributed to it by the Loan Trustee as expressly provided in this Indenture and any Excepted Property.

The Owner Trustee agrees that at any time and from time to time, upon the written request of the Loan Trustee, the Owner Trustee will promptly and duly execute and deliver or cause to be executed and delivered any and all such further instruments and documents as the Loan Trustee may deem desirable in obtaining the full benefits of this assignment and of the rights and powers herein granted.

The Owner Trustee does hereby warrant and represent that it has not assigned or pledged, and hereby covenants that it will not assign or pledge, so long as the assignment hereunder shall remain in effect, any of its right, title or interest hereby assigned, to anyone other than the Loan Trustee, and that it will not, except as provided in or permitted by this Indenture, accept any payment from the Lessee, enter into an agreement amending or supplementing any of the Operative Agreements, execute any waiver or modification of, or consent under the terms of any of the Operative Agreements, settle or compromise any claim (other than claims in respect of Excepted Property) against the Lessee arising under any of the Operative Agreements, submit or consent to the submission of any dispute, difference or

other matter arising under or in respect of any of the Operative Agreements, to arbitration thereunder or enter into any business or activity other than the business of owning and leasing the Equipment.

IT IS HEREBY COVENANTED AND AGREED by and between the parties hereto as follows:

The Equipment Notes issuable hereunder may be issued in five series. The Equipment Notes shall be designated Series C1, Series C2, Series C3, Series C5 and Series C7 Equipment Notes. Each Equipment Note outstanding hereunder shall be identical in respect of the dates on which semiannual payments shall be due. All Equipment Notes of the same Series shall be identical (including in respect of amortization schedules) except in respect of principal amount thereof. The aggregate principal amount of the Equipment Notes which may be outstanding at any one time shall be limited to the aggregate amount set forth in Exhibit C hereto.

(b) Equipment Notes shall be executed on behalf of the Owner Trustee by the manual or facsimile signature of its President, a senior vice president, a vice president, an assistant vice president, its treasurer, its secretary, an assistant secretary, an assistant treasurer or another officer in its Corporate Trust Administration office.

(c) If any officer of the Owner Trustee executing the Equipment Notes no longer holds that office at the time an Equipment Note is executed on behalf of the Owner Trustee, the Equipment Note shall be valid nevertheless.

(d) At any time and from time to time after the execution of the Equipment Notes, the Owner Trustee may deliver such Equipment Notes to the Loan Trustee for authentication and, subject to the provisions of clause (e) below, the Loan Trustee shall authenticate such Equipment Notes by manual signature upon receipt by it of written orders of the Owner Trustee. Equipment Notes shall be authenticated on behalf of the Loan Trustee by any authorized officer or signatory of the Loan Trustee.

(e) No Equipment Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless it shall have been executed on behalf of the Owner Trustee as provided in clause (b) above and authenticated by or on behalf of the Loan Trustee as provided in clause (d) above. Such signatures shall be conclusive evidence that such Equipment Note has been duly executed under this Indenture.

(f) The Owner Trustee shall issue and execute, and the Loan Trustee shall authenticate and deliver, the Equipment Notes for original issuance upon payment to the Loan Trustee of an amount equal to the aggregate original principal amount of the Equipment

Notes to be issued at such time. Each Equipment Note shall be dated the date of its issuance.

Section 2.02. Payment from Indenture Estate Only. All payments to be made under the Equipment Notes and this Indenture shall be made only from the income and the proceeds from the Indenture Estate and only to the extent that the Loan Trustee shall have received sufficient income or proceeds from the Indenture Estate to make such payments in accordance with the terms of Article III. Each holder of an Equipment Note, by its acceptance of such Equipment Note, agrees that it will look solely to the income and proceeds from the Indenture Estate to the extent available for distribution to such holder as herein provided and that none of the Owner Trustee, the Owner Participant, the Loan Trustee or their permitted successors and assigns is or shall be personally liable to the holder of any Equipment Note for any amount payable under such Equipment Note or the Indenture or, except as expressly provided in the Participation Agreement, the Refunding Agreement or the Indenture, for any liability under the Participation Agreement, the Refunding Agreement or (in the case of the Owner Trustee or the Loan Trustee) the Indenture.

Section 2.03. Method of Payment. (a) The principal of and premium, if any, and interest on each Equipment Note will be payable in U.S. dollars in immediately available funds at the principal corporate trust administration office of the Loan Trustee or as otherwise directed in the manner provided herein. Notwithstanding the foregoing or any provision in any Equipment Note to the contrary, the Loan Trustee will pay, or cause to be paid, if so requested by any Holder by written notice to the Owner Trustee and the Loan Trustee, all amounts payable by the Owner Trustee hereunder to such holder or a nominee therefor either (i) by transferring by wire in immediately available funds to an account maintained by such holder with a bank in the United States the amount to be distributed to such holder or (ii) by mailing a check denominated in U.S. dollars to such holder at such address as such holder shall have specified in such notice, in any case without any presentment or surrender of any Equipment Note, except that the Holder shall surrender such Equipment Note to the Loan Trustee upon payment in full of the principal amount of and interest on such Equipment Note and such other sums payable to such Holder hereunder or under the Equipment Note.

(b) Whenever the date scheduled for any payment to be made hereunder (including, without limitation, any payment made under Section 4.04) or under any Equipment Note shall not be a Business Day, then such payment need not be made on such scheduled date but may be made on the next succeeding Business Day with the same force and effect as if made on such scheduled date and (provided such payment is made on such next succeeding Business Day) no interest shall accrue on the amount of such payment from and after such scheduled date to the time of such payment on such next succeeding Business Day.

Section 2.04. Application of Payments to Principal Amount and Interest. In the case of each Equipment Note, each payment of principal thereof and premium, if any, and interest thereon shall be applied,

(A) first, to the payment of accrued but unpaid interest on such Equipment Note then due thereunder,

(B) second, to the payment of the unpaid principal amount of such Equipment Note then due thereunder, and

(C) third, to the payment of any premium then due thereon.

Section 2.05. Termination of Interest in Indenture Estate. A Holder shall have no further interest in, or other right with respect to, the Indenture Estate when and if the principal amount of and interest on all Equipment Notes held by such Holder and all other sums payable to such Holder hereunder and under such Equipment Notes and under the Participation Agreement shall have been paid in full.

Section 2.06. Transfer of Equipment Notes. The Loan Trustee shall maintain at its corporate trust administration office in Canton, Massachusetts, or in the city in which the corporate trust office of a successor Loan Trustee is located, a register for the purpose of registering transfers and exchanges of Equipment Notes. A Holder intending to transfer such Equipment Note to a new payee, or to exchange any Equipment Note or Equipment Notes held by it for an Equipment Note or Equipment Notes of a different denomination or denominations, may surrender such Equipment Note or Equipment Notes to the Loan Trustee at such principal corporate trust administration office of the Loan Trustee, together with a written request from such Holder for the issuance of a new Equipment Note or Equipment Notes, specifying the denomination or denominations (each of which shall be not less than \$1,000,000 or such smaller denomination as may be necessary due to the original issuance of Equipment Notes of the applicable maturity in an aggregate principal amount not evenly divisible by \$1,000,000) of the same, and, in the case of a surrender for registration of transfer, the name and address of the transferee or transferees. Promptly upon receipt of such documents, the Owner Trustee will issue, and the Loan Trustee will authenticate, a new Equipment Note or Equipment Notes in the same aggregate principal amount and dated the same date or dates and of the same Series as, with the same payment schedule, in the form set forth in Exhibit A, in the same maturity and bearing the same interest rate as the Equipment Note or Equipment Notes surrendered, in such denomination or denominations and payable to such payee or payees as shall be specified in the written request from such holder. All Equipment Notes issued upon any registration of transfer or exchange of Equipment Notes shall be the valid obligations of the Owner Trustee evidencing the same respective obligations, and entitled to the same security and benefits under this Indenture, as the Equipment Notes surrendered upon such registration of transfer or exchange. The Loan

Trustee shall make a notation on each new Equipment Note or Equipment Notes of the amount of all payments or prepayments of principal and interest previously made on the old Equipment Note or Equipment Notes with respect to which such new Equipment Note or Equipment Notes is or are issued. From time to time, the Loan Trustee will provide the Owner Trustee and the Lessee with such information as it may request as to the registered holders of Equipment Notes. The Owner Trustee shall not be required to exchange any surrendered Equipment Notes as above provided during the ten-day period preceding the due date of any payment on such Equipment Notes.

Prior to the due presentment for registration of transfer of an Equipment Note, the Owner Trustee and the Loan Trustee may deem and treat the registered holder of such Equipment Note as the absolute owner and Holder of such Equipment Note for the purpose of receiving payment of all amounts payable with respect to such Equipment Note and for all other purposes and shall not be affected by any notice to the contrary.

The Loan Trustee will promptly notify the Owner Trustee and the Lessee of each request for a registration of transfer of an Equipment Note. The Loan Trustee will promptly cancel and destroy all Equipment Notes surrendered for transfer pursuant to this Section 2.06.

Section 2.07. Mutilated, Destroyed, Lost or Stolen Equipment Notes. If any Equipment Note shall become mutilated, destroyed, lost or stolen, the Owner Trustee shall, upon the written request of the holder of such Equipment Note, issue, and the Loan Trustee shall authenticate and deliver in replacement thereof, a new Equipment Note in the form set forth in Exhibit A, payable to the same holder in the same principal amount, of the same Series, of the same maturity, with the same payment schedule, bearing the same interest rate and dated the same date as the Equipment Note so mutilated, destroyed, lost or stolen. If the Equipment Note being replaced has become mutilated, such Equipment Note shall be surrendered to the Loan Trustee and forwarded to the Owner Trustee by the Loan Trustee. If the Equipment Note being replaced has been destroyed, lost or stolen, the holder of such Equipment Note shall furnish to the Owner Trustee and the Loan Trustee such security or indemnity as may be required by them to save the Owner Trustee and the Loan Trustee harmless and evidence satisfactory to the Owner Trustee and the Loan Trustee of the destruction, loss or theft of such Equipment Note and of the ownership thereof.

Section 2.08. Payment of Transfer Taxes. Upon the transfer of any Equipment Note or Equipment Notes pursuant to Section 2.06, the Owner Trustee or the Loan Trustee may require from the party requesting such new Equipment Note or Equipment Notes payment of a sum to reimburse the Owner Trustee or the Loan Trustee for, or to provide funds for the payment of, any tax or other governmental charge in connection therewith.

Section 2.09. Prepayments; Assumption of Equipment Notes by Lessee.

(a) In the event that an Event of Loss occurs with respect to any Unit or Units, the Equipment Notes shall be prepaid in whole or in part by the Owner Trustee, without the payment of any premium, at a price equal to the sum of (1) as to principal thereof, an amount equal to the product obtained by multiplying (x) the aggregate unpaid principal amount of such Equipment Notes as at such prepayment date (after deducting therefrom the principal installment, if any, due on the prepayment date) by (y) a fraction, the numerator of which shall be the Equipment Cost of such Unit or Units and the denominator of which shall be the aggregate Equipment Cost of all Units included in the Indenture Estate immediately prior to the date of such prepayment and (2) as to interest, the aggregate amount of interest accrued and unpaid in respect of the principal amount to be prepaid pursuant to clause (1) above to but not including the date of such prepayment (after giving effect to the application of any Basic Rent paid on or prior to the date of such prepayment).

(b) In the event that the Lease as applicable to any Unit or Units is terminated by the Company at its option pursuant to Section 10 thereof, the Equipment Notes shall be prepaid in whole or in part by the Owner Trustee at a price equal to the sum of (1) as to principal thereof, an amount equal to the product obtained by multiplying (x) the aggregate unpaid principal amount of such Equipment Notes as at the date of such prepayment (after deducting therefrom the principal installment, if any, due on or prior to the date of such prepayment) by (y) a fraction, the numerator of which shall be the Equipment Cost of such Unit or Units and the denominator of which shall be the aggregate Equipment Cost of all Units included in the Indenture Estate immediately prior to the date of such prepayment, (2) as to interest, the aggregate amount of interest accrued and unpaid in respect of the principal amount to be prepaid pursuant to clause (1) above to but not including the date of such prepayment (after giving effect to the application of any Basic Rent paid on or prior to the date of such prepayment) and (3) if such prepayment is made prior to the Premium Termination Date, a premium in an amount equal to the Make-Whole Premium, if any, applicable in respect of the principal amount to be prepaid pursuant to clause (1) above on the date of such prepayment. Any such prepayment pursuant to this Section 2.09(b) shall be made on the Termination Date. If the Units in respect of which the Lease is terminated pursuant to Section 10 thereof are sold pursuant to such Section 10, concurrently with the delivery of the notice of prepayment to the Loan Trustee, the Owner Trustee shall deposit with the Loan Trustee sufficient funds (with respect to the Make-Whole Premium, if any, as estimated in good faith by the Lessee) to prepay the Equipment Notes as provided in this Section 2.09(b). When the amount of the Make-Whole Premium, if any, is determined, the Lessee shall pay the deficiency of the estimate and the Loan Trustee shall pay any excess, including investment earnings, to the Lessee.

(c) In the event of a refinancing as contemplated by Section 10.2 of the Participation Agreement, the Equipment Notes shall be prepaid in whole by the Owner Trustee at a price equal to the sum of (1) as to the principal thereof, 100% of the aggregate

unpaid principal amount of such Equipment Notes (after deducting therefrom the principal installment, if any, due on the prepayment date), (2) the aggregate accrued and unpaid interest thereon to the prepayment date and (3) if such prepayment is made prior to the Premium Termination Date, a premium in an amount equal to the Make-Whole Premium, if any, applicable in respect of the principal amount to be prepaid pursuant to clause (1) above on the date of such prepayment.

(d) In the event that the Lessee exercises its option to purchase any Unit of Equipment prior to the expiration of the Lease Term pursuant to Section 22 of the Lease, the Equipment Notes shall be prepaid in whole or in part by the Owner Trustee at a price equal to the sum of (1) as to the principal thereof, an amount equal to the product obtained by multiplying (x) the aggregate unpaid principal amount of such Equipment Notes as at such prepayment date (after deducting therefrom the principal installment, if any, due on the prepayment date) by (y) a fraction, the numerator of which shall be the Equipment Cost of such Unit or Units and the denominator of which shall be the aggregate Equipment Cost of all Units included in the Indenture Estate immediately prior to the date of such prepayment, (2) as to interest, the aggregate amount of interest accrued and unpaid in respect of the principal amount to be prepaid pursuant to clause (1) above to but not including the date of such prepayment (after giving effect to the application of any Basic Rent paid on or prior to the date of such prepayment) and (3) a premium in an amount equal to the Make Whole Premium, if any, applicable in respect of the principal amount to be prepaid pursuant to clause (1) above on the date of such prepayment.

(e) The Loan Trustee shall give prompt written notice of any prepayment of any of the Equipment Notes to all holders of the Equipment Notes to be prepaid pursuant to this Section 2.09 as soon as the Loan Trustee shall have knowledge that such prepayment is to occur, which notice shall specify the principal amount of the Equipment Notes to be prepaid, the estimated amount of premium, if any, to be paid thereon and the date of prepayment, which date shall be not less than 25 days after the date of such notice.

(f) In the event that the Lessee exercises its option, pursuant to Section 22.1 of the Lease, to purchase all the Units of Equipment then subject to the Lease and assume all of the obligations of the Owner Trustee pursuant to the Indenture and the Equipment Notes (and the Lease, to the extent that the Owner Trustee's obligations thereunder are incorporated into the Indenture or the Equipment Notes), such assumption shall not be valid hereunder unless the following conditions shall have been satisfied:

(i) the Lessee shall have paid all amounts of Rent and any other amounts due to the Owner Participant and the Owner Trustee under the Operative Agreements through the EBO Date;

(ii) the Lessee shall confirm that its obligations under the Lease shall be direct obligations to the Indenture Trustee as if set forth in this Indenture;

(iii) the Indenture Trustee and the Owner Trustee shall have received an Opinion or Opinions of Counsel for the lessee, dated the Assumption Date, which, subject to customary qualifications, shall be to the effect that, after giving effect to the assumption: (A) the Equipment Notes constitute the legal, valid and binding obligation of the Lessee, enforceable against the Lessee in accordance with its terms, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and by general principles of equity, and except as limited by applicable laws which may affect the remedies provided for in this Indenture; (B) if any Equipment Note is held in a Pass Through Trust, the assumption will not cause, nor can it be reasonably foreseen to cause, any such Pass Through Trust to become an "investment company," as defined in the Investment Company Act of 1940, as amended; and (C) (1) no Holder will be required to recognize income, gain or loss for tax purposes in connection with such exchange; and (2) such exchange will not cause any adverse tax consequences to the Holders (or, so long as any Pass Through Certificates remain outstanding, to the holders of such Pass Through Certificates); provided, however, that the opinion provided pursuant to this clause (C) shall be limited to U.S. federal tax laws;

(iv) 11 U.S.C. § 1168 shall continue to apply with respect to the Equipment then subject to the Lease; and

(v) each of the Owner Trustee, the Indenture Trustee, the Owner Participant and the Lessee shall execute and deliver appropriate documentation under which the Lessee will assume such obligations on the basis of full recourse to the Lessee, maintaining the security interest in the Units of Equipment created by the Indenture, releasing the Owner Participant and the Owner Trustee from all future obligations in respect of the Equipment Notes, the Indenture and all other Operative Agreements and all such other actions (including the furnishing of legal opinions (A) specified in Clause (iii) above, (B) confirming the existence, power and authority of, and the authorization, execution and delivery of all relevant documentation by, such parties, and (C) with respect to such other matters as may be reasonably requested by any such party) as are reasonably necessary to permit such assumption by the Lessee.

Section 2.10. Deposit of Prepayment Amount. On or before any prepayment date, the Owner Trustee shall, to the extent an amount equal to the applicable amount to be prepaid shall not then be held in the Indenture Estate, deposit or cause to be deposited with the Loan Trustee in immediately available funds an amount equal to such amount to be prepaid.

Section 2.11. Equipment Notes Payable on Prepayment Date. Notice of prepayment having been given as aforesaid, the principal amount of Equipment Notes to be prepaid in whole or in part on such prepayment date shall become due and payable at the principal corporate trust office of the Loan Trustee, and from and after such prepayment date (unless there shall be a default in the payment of the applicable amount to be prepaid) such principal amount shall cease to bear interest. Upon surrender of any such Equipment Note for prepayment in whole or in part in accordance with said notice, the unpaid principal amount of such Equipment Note, together with interest accrued thereon and Make-Whole Premium, if any, shall be paid as provided for in this Article II.

If any Equipment Note to be prepaid shall not be so paid upon surrender thereof for prepayment, the principal shall, until paid, continue to bear interest from the prepayment date at the interest rate applicable to such Equipment Note.

Section 2.12. Equally and Ratably Secured. Each Equipment Note at any time outstanding under this Indenture shall be equally and ratably secured hereby with each other Equipment Note, without preference, priority or distinction on account of the maturity of such Equipment Notes or otherwise so that all such Equipment Notes at any time issued and outstanding hereunder shall have the same rights, Liens and preferences under and by virtue of this Indenture.

ARTICLE III

RECEIPT, DISTRIBUTION AND APPLICATION OF INCOME FROM THE INDENTURE ESTATE

Section 3.01. Basic Rent Distribution. Except as otherwise provided in Section 3.03, each installment of Interim Interest and Basic Rent as well as any installment of interest on overdue installments of Basic Rent, and any other moneys paid over by the Lessee or the Owner Trustee to the Loan Trustee for such purpose, shall be distributed by the Loan Trustee as promptly as possible (it being understood that any payments of Interim Interest and Basic Rent received by the Loan Trustee on a timely basis and in accordance with the provisions of Section 2 of the Lease shall be distributed on the date received in the funds so received) in the following order of priority:

(A) first, so much of such installment as shall be required for the purpose shall be distributed and paid to the holders of the Equipment Notes to pay in full the aggregate amount of the payment or payments of principal, premium, if any, and interest (as well as any interest on overdue principal) then due, such distribution to be made ratably, without priority of one Equipment Note over the other, in the proportion that the amount of such payment or payments then due or so scheduled

with respect to each such Equipment Note bears to the aggregate amount of payments then due under all such Equipment Notes; and

(B) second, the balance, if any, of such installment remaining thereafter shall be distributed to the Owner Trustee for distribution in accordance with the terms of the Trust Agreement and the Lease. The portion of each such installment distributed to a Holder shall be applied by such Holder in payment of such Equipment Note in accordance with the terms of Section 2.04.

Section 3.02. Payments in the Event of Prepayment or Purchase. (a) Except as otherwise provided in Section 3.03 or 3.05, in the event of any prepayment or purchase of the Equipment Notes, in whole or in part, in accordance with the provisions of Section 2.09 or 4.04, as the case may be, any amount received shall in each case be distributed and paid in the following order of priority:

(A) first, so much of such amount as shall be required for the purpose of prepayment or purchase shall be distributed and paid to the Holders of such Equipment Notes to pay the aggregate amount of the payment of principal, premium, if any, and interest to be prepaid on the Equipment Notes pursuant to Section 2.09 or to be paid on the Purchase Date pursuant to Section 4.04, such prepayment or payment to be made ratably, without priority of one over any other, in the proportion that the amount to be prepaid or paid on each such Equipment Note bears to the aggregate amount to be prepaid or paid on all such Equipment Notes;

(B) second, so much of such amount as shall be required to reimburse the Owner Trustee and the Loan Trustee for any expenses not reimbursed by the Lessee in connection with the collection or distribution of such amount and for any unpaid fees for the Loan Trustee's services under this Indenture and any tax, expense (including reasonable attorneys' fees) or other loss incurred by it (to the extent incurred in connection with its duties as Loan Trustee and to the extent reimbursable and not previously reimbursed) shall be applied in reimbursement of such amounts;

(C) third, in the manner provided in clause (B) of Section 3.03(a); and

(D) fourth, in the manner provided in clause (D) of Section 3.03(a).

(b) Except as otherwise provided in Section 3.03 or 3.05, any amounts received by the Loan Trustee directly or through the Lessee from any governmental authority or other party pursuant to Section 11 of the Lease with respect to any Unit as the result of an Event of Loss, to the extent that such amounts are not at the time required to be paid to the Lessee pursuant to said Section 11, and any amounts of insurance proceeds for damage to the Indenture Estate received by the Loan Trustee directly or through the Lessee from any

insurer pursuant to Section 12 of the Lease with respect thereto as the result of an Event of Loss, to the extent such amounts are not at the time required to be paid to the Lessee pursuant to said Section 11, shall be applied in reduction of the Lessee's obligation to pay Stipulated Loss Value and Termination Value as provided in the Lease.

Section 3.03. Payments After Indenture Event of Default. (a) All payments received and amounts realized by the Loan Trustee as part of the Indenture Estate after an Indenture Event of Default shall have occurred and be continuing and after the Loan Trustee has declared (as assignee from the Owner Trustee of the Lease) the Lease to be in default pursuant to Section 14 thereof or has declared the Equipment Notes to be accelerated pursuant to Section 4.02, as the case may be, or has elected to foreclose or otherwise enforce its rights under this Indenture (including any amounts realized by the Loan Trustee from the exercise of any remedies pursuant to Section 14 of the Lease, or Article IV), as well as all payments or amounts then held or thereafter received by the Loan Trustee as part of the Indenture Estate while such Indenture Event of Default shall be continuing, shall be distributed forthwith by the Loan Trustee in the following order of priority:

(A) first, so much of such payments or amounts as shall be required to reimburse the Loan Trustee for any unpaid fees for its services under this Indenture and any tax, expense (including reasonable attorney's fees) or other loss incurred by the Loan Trustee (to the extent reimbursable and not previously reimbursed and to the extent incurred in connection with its duties as Loan Trustee) shall be distributed to the Loan Trustee;

(B) second, so much of such payments or amounts as shall be required to reimburse the holders of the Equipment Notes for payments made by them to the Loan Trustee pursuant to Section 5.03 (to the extent not previously reimbursed), and to pay such holders of the Equipment Notes the amounts payable to them pursuant to the provisions of the Participation Agreement, shall be distributed to such holders of the Equipment Notes, without priority of one over the other, in accordance with the amount of the payment or payments made by, or payable to, each such holder;

(C) third, so much of such payments or amounts as shall be required to pay in full the aggregate unpaid principal amount of all Equipment Notes, plus the accrued but unpaid interest thereon to the date of distribution, shall be distributed to the holders of the Equipment Notes, and in case the aggregate amount so to be distributed shall be insufficient to pay in full the aforesaid amounts, then, ratably, without priority of one over the other, in the proportion that the aggregate unpaid principal amount of all Equipment Notes held by each such holder, plus the accrued but unpaid interest thereon to the date of distribution, bears to the aggregate unpaid principal amount of all Equipment Notes, plus the accrued but unpaid interest thereon to the date of distribution; and

(D) fourth, the balance, if any, of such payments or amounts remaining thereafter shall be distributed to, or as directed by, the Owner Trustee to be held or distributed in accordance with the terms of the Trust Agreement and the Lease.

(b) Except as provided in Section 3.05, so long as an Indenture Event of Default shall have occurred and be continuing, the Loan Trustee shall not make any distribution to the Owner Trustee but shall hold amounts otherwise distributable to the Owner Trustee as collateral security for the obligations secured hereby until the earliest to occur of (i) the date such Indenture Event of Default shall have been cured or waived, (ii) the date such amounts are applied pursuant to Section 3.03(a) and (iii) the date 180 days after the occurrence of such Indenture Event of Default (provided the Indenture Trustee is not then stayed from exercising remedies in respect thereof). Except in the case of amounts applied pursuant to Section 3.03(a) at the time provided for in the preceding sentence, any amounts held pursuant to this Section 3.03(b) shall be distributed to, or as directed by, the Owner Trustee to be held or distributed in accordance with the terms of the Trust Agreement and the Lease, and such Indenture Event of Default shall not thereafter be the basis of a retention of any amounts otherwise distributable to the Owner Trustee hereunder.

Section 3.04. Other Payments. Except as otherwise provided in Section 3.03 or 3.05,

(a) any payments received by the Loan Trustee for which no provision as to the application thereof is made in the Lease or the Participation Agreement or elsewhere in this Article III, and

(b) all payments received and amounts realized by the Loan Trustee under the Lease or otherwise with respect to the Equipment to the extent received or realized at any time after payment in full of the principal of and interest and premium, if any, on all Equipment Notes, as well as any other amounts remaining as part of the Indenture Estate after payment in full of the principal of and interest and premium, if any, on all Equipment Notes issued hereunder, shall be distributed forthwith by the Loan Trustee in the order of priority set forth in Section 3.03(a), except that in the case of any payment described in clause (b) above, such payment shall be distributed omitting clause (C) of Section 3.03(a).

Any payments received by the Loan Trustee for which provision as to the application thereof is made in the Lease or the Participation Agreement but not elsewhere in this Indenture shall be applied to the purposes for which such payments were made in accordance with the provisions of the Lease or the Participation Agreement.

Section 3.05. Distribution of Excepted Property. All amounts constituting Excepted Property received by the Loan Trustee shall be paid by the Loan Trustee to the Person or Persons entitled thereto.

Section 3.06. Statements to Holders. (a) On each Interest Payment Date, prepayment date or Purchase Date, the Loan Trustee will include with each distribution to Holders a statement, giving effect to such distribution to be made on such date, setting forth the following information (per a \$1,000 face amount Equipment Note):

(i) the amount of such distribution allocable to principal and the amount allocable to Make-Whole Premium, if any; and

(ii) the amount of such distribution allocable to interest.

(b) Within a reasonable period of time after the end of each calendar year but not later than the latest date permitted by law, the Loan Trustee shall furnish to each Person who at any time during such calendar year was a Holder of record a statement containing the sum of the amounts determined pursuant to clauses (a)(i) and (a)(ii) above with respect to the Indenture Estate for such calendar year or, in the event such Person was a Holder of record during a portion of such calendar year, for the applicable portion of such year, and such other items as are readily available to the Loan Trustee and which a Holder shall reasonably request as necessary for the purpose of such Holder's preparation of its Federal income tax returns.

Section 3.07. Subrogation. To the extent that any payments received or amounts realized are applied under this Article III to pay the Loan Trustee any amounts then due it pursuant to Section 2.6, 7.1 or 7.2 of the Participation Agreement, the Owner Trustee shall be subrogated to the extent of such payment to the rights and remedies of the Loan Trustee in respect thereof.

ARTICLE IV

REMEDIES OF THE LOAN TRUSTEE UPON AN INDENTURE EVENT OF DEFAULT

Section 4.01. Indenture Events of Default. The following events shall constitute "Indenture Events of Default" and each such Indenture Event of Default shall be deemed to exist and continue so long as, but only so long as, it shall not have been remedied:

(a) subject to Section 4.04(a), a Lease Event of Default (other than in respect of Excepted Property);

(b) default by the Owner Trustee in making any payment when due of principal of or premium, if any, or interest on, any Equipment Note or Equipment Notes, and the continuance of such default unremedied for 10 days after the same shall have become due and payable;

(c) any failure by the Owner Trustee, in its individual capacity or as trustee, or the Owner Participant to observe or perform any material covenant or obligation of them or any of them, in this Indenture or the Equipment Notes or in the Participation Agreement, if, but only if, such failure is not remedied within a period of 30 days after there has been given to the Owner Trustee, the Owner Participant and the Lessee by the Loan Trustee a written notice specifying such failure and requiring it to be remedied; provided that, if such failure is capable of being remedied, no such failure shall constitute an Indenture Event of Default hereunder for a period of 180 days after such notice so long as the Owner Trustee and the Owner Participant are diligently proceeding to remedy such failure;

(d) any representation or warranty made by the Owner Trustee, in its individual capacity or as trustee, or the Owner Participant under the Participation Agreement, or by the Owner Trustee, in its individual capacity or as trustee, hereunder, or by any representative of the Owner Trustee or the Owner Participant in any document or certificate furnished to the Loan Trustee or any Loan Participant in connection with or pursuant to the transactions contemplated by the Operative Agreements, shall prove at any time to have been incorrect in any material respect as of the date made and such incorrectness shall remain material and continue unremedied for a period of 30 days after there has been given to the Owner Trustee and the Owner Participant a written notice specifying such incorrectness, stating that such incorrectness is a default hereunder and requiring it to be remedied by the Loan Trustee or by any holder of an Equipment Note; provided that, if such incorrectness is capable of being remedied, no such incorrectness shall constitute an Indenture Event of Default hereunder for a period of 90 days after such notice so long as the Owner Trustee and the Owner Participant are diligently proceeding to remedy such incorrectness;

(e) the Owner Trustee or the Owner Participant shall consent to the appointment of a custodian, receiver, trustee or liquidator of itself or of a substantial part of its property or shall make a general assignment for the benefit of creditors;

(f) the Owner Trustee or the Owner Participant shall file, or consent by answer or otherwise to the filing against it of, a petition for relief or reorganization or

arrangement or any other petition in bankruptcy, for liquidation or to take advantage of any bankruptcy or insolvency law of any jurisdiction; or

(g) a court or governmental authority of competent jurisdiction shall enter an order appointing, without consent by the Indenture Estate or the Owner Trustee with respect thereto (and not in its individual capacity) or the Owner Participant, as the case may be, a custodian, receiver, trustee or other officer with similar powers with respect to it or with respect to any substantial part of its property, or constituting an order for relief or approving a petition for relief or reorganization or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy or insolvency law of any jurisdiction, or ordering the dissolution, winding-up or liquidation of the Indenture Estate or the Owner Trustee with respect thereto (and not in its individual capacity) or the Owner Participant, as the case may be, and any such order or petition is not dismissed or stayed within 90 days after the earlier of the entering of any such order or the approval of any such petition.

Section 4.02. Acceleration; Rescission and Annulment. If an Indenture Event of Default occurs and is continuing, the Loan Trustee may, and upon the direction of a Majority in Interest shall, subject to Section 4.04, declare the unpaid principal amount of all Equipment Notes then outstanding and accrued interest thereon to be due and payable. At any time after the Loan Trustee has declared the unpaid principal amount of all Equipment Notes then outstanding to be due and payable and prior to the sale of any of the Indenture Estate pursuant to this Article IV, a Majority in Interest, by written notice to the Owner Trustee, the Lessee and the Loan Trustee, may rescind and annul such declaration and thereby annul its consequences if: (1) there has been paid to or deposited with the Loan Trustee an amount sufficient to pay all overdue installments of interest on the Equipment Notes, and the principal of and premium, if any, on any Equipment Notes that have become due otherwise than by such declaration of acceleration, (2) the rescission would not conflict with any judgment or decree, and (3) all other Indenture Defaults and Indenture Events of Default, other than nonpayment of principal or interest on the Equipment Notes that have become due solely because of such acceleration, have been cured or waived.

Section 4.03. Remedies with Respect to Indenture Estate. (a) After an Indenture Event of Default shall have occurred and so long as such Indenture Event of Default shall be continuing, then and in every such case the Loan Trustee, as assignee hereunder of the Lease or as mortgagee hereunder of the Equipment or otherwise, may, and when required pursuant to the provisions of Article V shall, subject to Sections 4.04 and 4.05, exercise any or all of the rights and powers and pursue any and all of the remedies pursuant to Section 15 of the Lease and this Article IV and may recover judgment in its own name as Loan Trustee against the Indenture Estate and may take possession of all or part or any part of the Indenture Estate, and may exclude the Owner Trustee and the Owner Participant and all persons claiming under any of them wholly or partly therefrom; provided,

however, that nothing in this Indenture shall permit or require the Loan Trustee to take any action contrary to, or to disturb, the Lessee's rights under the Lease, except in accordance with the provisions of the Lease.

(b) Subject to Sections 4.04 and 4.05, the Loan Trustee may, if at the time such action may be lawful and always subject to compliance with any mandatory legal requirements, either with or without taking possession, and either before or after taking possession, and without instituting any legal proceedings whatsoever, and having first given notice of such sale by registered mail to the Owner Trustee, the Owner Participant and the Lessee once at least 30 days prior to the date of such sale or the date on which the Loan Trustee enters into a binding contract for a private sale, and any other notice which may be required by law, sell and dispose of the Indenture Estate, or any part thereof, or interest therein, at public auction to the highest bidder or at private sale in one lot as an entirety or in separate lots, and either for cash or on credit and on such terms as the Loan Trustee may determine, and at any place (whether or not it be the location of the Indenture Estate or any part thereof) and time designated in the notice above referred to; provided, however, that, notwithstanding any provision herein to the contrary, the Loan Trustee shall not take possession of all or any part of the Indenture Estate or sell any of the Indenture Estate unless a declaration of acceleration has been made pursuant to Section 4.02. Any such public sale or sales may be adjourned from time to time by announcement at the time and place appointed for such sale or sales, or for any such adjourned sale or sales, without further notice, and the Loan Trustee or the holder or holders of any Equipment Notes, or any interest therein, may bid and become the purchaser at any such public sale. The Loan Trustee may exercise such right without possession or production of the Equipment Notes or proof of ownership thereof, and as representative of the holders may exercise such right without including the holders as parties to any suit or proceeding relating to foreclosure of any property in the Indenture Estate. The Owner Trustee hereby irrevocably constitutes the Loan Trustee the true and lawful attorney-in-fact of the Owner Trustee (in the name of the Owner Trustee or otherwise) for the purpose of effectuating any sale, assignment, transfer or delivery for enforcement of the Lien of this Indenture, whether pursuant to foreclosure or power of sale or otherwise, to execute and deliver all such bills of sale, assignments and other instruments as the Loan Trustee may consider necessary or appropriate, with full power of substitution, the Owner Trustee hereby ratifying and confirming all that such attorney or any substitute shall lawfully do by virtue hereof. Nevertheless, if so requested by the Loan Trustee or any purchaser, the Owner Trustee shall ratify and confirm any such sale, assignment, transfer or delivery, by executing and delivering to the Loan Trustee or such purchaser all bills of sale, assignments, releases and other proper instruments to effect such ratification and confirmation as may be designated in any such request.

(c) Subject to Sections 4.04 and 4.05, the Owner Trustee agrees, to the fullest extent that it lawfully may, that, in case one or more Indenture Events of Default shall have occurred and be continuing, then, in every such case, the Loan Trustee may take

possession of all or any part of the Indenture Estate and may exclude the Owner Trustee and the Owner Participant and all persons claiming under any of them wholly or partly therefrom. At the request of the Loan Trustee, the Owner Trustee shall promptly execute and deliver to the Loan Trustee such instruments of title and other documents as the Loan Trustee may deem necessary or advisable to enable the Loan Trustee or an agent or representative designated by the Loan Trustee, at such time or times and place or places as the Loan Trustee may specify, to obtain possession of all or any part of the Indenture Estate. If the Owner Trustee shall fail for any reason to execute and deliver such instruments and documents to the Loan Trustee, the Loan Trustee may pursue all or part of the Indenture Estate wherever it may be found and may enter any of the premises of the Lessee wherever the Indenture Estate may be or be supposed to be and search for the Indenture Estate and, subject to Section 4.05, take possession of and remove the Indenture Estate. Upon every such taking of possession, the Loan Trustee may, from time to time, at the expense of the Indenture Estate, make all such expenditures for maintenance, insurance, repairs, replacements, alterations, additions and improvements to any of the Indenture Estate, as it may deem proper, and is entitled at the expense of the Indenture Estate, to payment for all fees and expenses incurred by the Loan Trustee, its agents and counsel in connection with such action. In each such case, the Loan Trustee shall have the right to use, operate, store, control or manage the Indenture Estate, and to carry on the business and to exercise all rights and powers of the Owner Trustee relating to the Indenture Estate as the Loan Trustee shall deem best, including the right to enter into any and all such agreements with respect to the maintenance, operation, leasing or storage of the Indenture Estate or any part thereof as the Loan Trustee may determine; and the Loan Trustee shall be entitled to collect and receive all tolls, rents, revenues, issues, income, products and profits of the Indenture Estate and every part thereof, without prejudice, however, to the right of the Loan Trustee under any provision of this Indenture to collect and receive all cash held by, or required to be deposited with, the Loan Trustee hereunder. Such tolls, rents, revenues, issues, income, products and profits shall be applied to pay the expenses of holding and operating the Indenture Estate and of conducting the business thereof, and of all maintenance, repairs, replacements, alterations, additions and improvements, and to make all payments which the Loan Trustee may be required or may elect to make, if any, for taxes, assessments, insurance or other proper charges upon the Indenture Estate or any part thereof (including the employment of engineers and accountants to examine, inspect and make reports upon the properties and books and records of the Owner Trustee) and all other payments which the Loan Trustee may be required or authorized to make under any provision of this Indenture, as well as just and reasonable compensation for the services of the Loan Trustee, and of all persons properly engaged and employed by the Loan Trustee, including the reasonable expenses of the Loan Trustee, its agents and counsel.

If an Indenture Event of Default occurs and is continuing and the Loan Trustee shall have obtained possession of a Unit, the Loan Trustee shall not be obligated to use or operate such Unit or cause such Unit to be used or operated directly or indirectly by itself or

through agents or other representatives or to lease, license or otherwise permit or provide for the use or operation of such Unit or Equipment by any other Person unless (i) the Loan Trustee shall have been able to obtain insurance in kinds, at rates and in amounts satisfactory to it in its discretion to protect the Indenture Estate and the Loan Trustee, as trustee and individually, against any and all liability for loss or damage to such Unit and for public liability and property damage resulting from use or operation of such Unit and (ii) funds are available in the Indenture Estate to pay for all such insurance or, in lieu of such insurance, the Loan Trustee is furnished with indemnification from the holders of the Equipment Notes or any other Person upon terms and in amounts satisfactory to the Loan Trustee in its discretion to protect the Indenture Estate and the Loan Trustee, as trustee and individually, against any and all such liabilities.

(d) Notwithstanding anything contained herein, so long as the Pass Through Trustee under any Pass Through Trust Agreement is the registered Holder of any Equipment Note issued hereunder, the Loan Trustee is not authorized or empowered to acquire title to any Indenture Estate or take any action with respect to any Indenture Estate so acquired by it if such acquisition or action would cause any Trust to fail to qualify as a "grantor trust" for federal income tax purposes.

Section 4.04. Right to Cure; Option to Purchase; Etc. (a) Right to Cure. If the Lessee shall fail to make any payment of Basic Rent within 10 days (the "Grace Period") after the same shall become due, and if such failure of the Lessee to make such payment of Basic Rent shall not constitute the fourth or subsequent consecutive or the seventh or subsequent cumulative such failure, then as long as no other Indenture Event of Default (other than an Indenture Event of Default arising from such failure to pay Basic Rent or any other Lease Event of Default) shall have occurred and be continuing, the Owner Participant or the Owner Trustee may (but need not) pay to the Loan Trustee, at any time prior to the expiration of a period of 10 Business Days (a "10-Day Period") after the expiration of such Grace Period (prior to the expiration of which 10-Day Period the Loan Trustee shall not declare the Lease in default based on such failure to pay Basic Rent pursuant to Section 15 thereof or exercise any of the rights, powers or remedies pursuant to such Section 15 or this Article IV), an amount equal to the full amount of such payment of Basic Rent, together with any interest due thereon on account of the delayed payment thereof, and such payment by the Owner Participant or the Owner Trustee shall be deemed to cure any Indenture Event of Default which arose from such failure of the Lessee (but such cure shall not relieve the Lessee of any of its obligations). If the Lessee shall fail to perform or observe any other covenant, condition or agreement to be performed or observed by it under the Lease and if (but only if) the performance or observance thereof can be effected by the payment of money alone, then as long as no other Indenture Event of Default shall have occurred and be continuing, the Owner Participant or the Owner Trustee may (but need not) pay to the Loan Trustee (or to such other person as may be entitled to receive the same), at any time prior to the expiration of a 10-Day Period after the expiration of the Grace Period, if any, provided

with respect to such failure on the part of the Lessee in Section 14 of the Lease (prior to the expiration of which 10-Day Period the Loan Trustee shall not declare the Lease in default pursuant to Section 15 thereof or exercise any of the rights, powers or remedies pursuant to such Section 15 or this Article IV), all sums necessary to effect the performance or observance of such covenant, condition or agreement, together with any interest due thereon on account of the delayed payment thereof, and such payment by the Owner Participant or the Owner Trustee shall be deemed to cure any Indenture Event of Default which arose from such failure of the Lessee (but such cure shall not relieve the Lessee of any of its obligations). Upon any payment of Basic Rent by the Owner Participant or the Owner Trustee in accordance with the first sentence of this Section 4.04(a), or upon any payment of any other sums by the Owner Participant or the Owner Trustee in accordance with the second sentence of this Section 4.04(a), the Owner Participant or the Owner Trustee shall, to the extent of their respective payments, be subrogated, in the case of any such payment in accordance with such first sentence, to the rights of the Loan Trustee, as assignee hereunder of the Owner Trustee, or, in the case of any such payment in accordance with such second sentence, to the rights of the Loan Trustee or such other person, as the case may be, which actually received such payment, to receive such payment of Basic Rent or such other payment, as the case may be (and any interest due thereon on account of the delayed payment thereof), and shall be entitled to receive such payment upon its receipt by the Loan Trustee or such other person as aforesaid (but in each case only if all amounts of principal and interest at the time due and payable on the Equipment Notes shall have been paid in full); provided that neither the Owner Participant nor the Owner Trustee shall attempt to recover any such amount paid by it on behalf of the Lessee pursuant to this Section 4.04(a) except by demanding of the Lessee payment of such amount or by commencing an action against the Lessee to require the payment of such amount.

(b) Option to Purchase Equipment Notes. In the event that (1) at any time one or more Lease Events of Default shall have occurred and (i) the Equipment Notes shall have been accelerated pursuant to Section 4.02, or (ii) the Loan Trustee shall have commenced the exercise of any remedy in respect of the Equipment pursuant to Section 4.03 hereof or Section 15 of the Lease, or (2) at any time one or more Lease Events of Default shall have occurred and any such Lease Event of Default shall have continued for a period of 180 days or more during which time the Equipment Notes could, but shall not, have been accelerated pursuant to Section 4.02, then and in such case, upon 30 days' notice from the Owner Trustee to the Loan Trustee designating a date of purchase which shall be the 30th day of any calendar month (the "Purchase Date"), each holder of an Equipment Note agrees that it will, upon and subject to receipt by the Loan Trustee from the Owner Trustee or its nominee of an amount equal to the aggregate unpaid principal amount of all Equipment Notes, together with accrued and unpaid interest thereon to the Purchase Date, plus all other sums then due and payable to such holder of an Equipment Note hereunder, plus, in the event that (and only in such event) the Purchase Date for Equipment Notes purchased pursuant to clause (2) above occurs prior to the earlier of (x) the date which is the first

anniversary of the occurrence of the Lease Event of Default or (y) the Premium Termination Date, a premium in an amount equal to the Make-Whole Premium, if any, applicable in respect of the principal amount to be purchased on such Purchase Date, forthwith sell, assign, transfer and convey to the Owner Trustee or its nominee, and the giving of such notice and the deposit with the Loan Trustee on behalf of the holders of the Equipment Notes of all amounts required to be paid to the holders of the Equipment Notes pursuant to this Section 4.04(b) including interest accrued and unpaid to and any premium payable on the Purchase Date shall be deemed to, assign, transfer, and convey to the Owner Trustee or its nominee at the time of such deposit, all of the right, title and interest of such holder in and to the Equipment Notes then held by such holder, and the Owner Trustee or its nominee shall assume all of such holder's obligations under the Participation Agreement accruing after the Purchase Date, provided that the Owner Trustee or its nominee on the date of such purchase shall purchase all of the Equipment Notes then outstanding hereunder. If the Owner Trustee or its nominee on or before the Purchase Date so requests, such holder of the Equipment Notes will comply with all of the provisions of Section 2.06 to enable new Equipment Notes to be issued to the Owner Trustee or its nominee in such denominations as the Owner Trustee shall request. All charges and expenses required pursuant to Section 2.08 in connection with the issuance of any such new Equipment Notes shall be borne by the Owner Trustee.

(c) Exercise of Remedies Under Lease. Notwithstanding any provision of this Indenture to the contrary, the Loan Trustee shall not foreclose the Lien of this Indenture or otherwise exercise remedies hereunder which would result in the exclusion of the Owner Trustee from the Indenture Estate or any part thereof as a result of an Indenture Event of Default that constitutes or occurs solely by virtue of one or more Lease Events of Default unless the Loan Trustee as security assignee of the Owner Trustee has proceeded or is then currently proceeding, in a diligent manner, to the extent it is then entitled to do so hereunder and under the Lease and is not then stayed or otherwise prevented from doing so by operation of law, to cancel the Lease or to exercise one or more of the significant remedies provided for in Section 15 of the Lease for the purpose of recovering possession of the Equipment; provided that the requirement to cancel the Lease or to exercise any such remedies under the Lease shall not apply in circumstances where the Loan Trustee is, and has been for a continuous period in excess of 60 days, stayed or otherwise prevented by operation of law or court order (other than by reason of (A) the Lessee's agreement with the approval of the relevant court to perform the Lease in accordance with Section 1168(a) of the Bankruptcy Code or an extension with the consent of the Loan Trustee of the 60-day period specified therein pursuant to Section 1168(b) of the Bankruptcy Code, (B) the Lessee's assumption, with the approval of the relevant court, of the Lease pursuant to Section 365 of the Bankruptcy Code or (C) the Loan Trustee's own failure to give any requisite notice to any Person) from exercising such remedies under the Lease.

Section 4.05. Rights of Lessee. Notwithstanding the provisions of this Indenture, including, without limitation, Section 4.03, so long as no Lease Event of Default shall have occurred and be continuing, neither the Loan Trustee nor the Owner Trustee shall take any action contrary to, or disturb, the Lessee's rights under the Lease, except in accordance with the provisions of the Lease, including, without limitation, (i) the right to receive all monies due and payable to it in accordance with the provisions of the Lease and (ii) the Lessee's rights to possession and use of, and of quiet enjoyment of, the Equipment.

Section 4.06. Waiver of Existing Defaults. A Majority in Interest by notice to the Loan Trustee on behalf of all holders of the Equipment Notes may waive any past default hereunder and its consequences, except a default: (i) in the payment of the principal of, premium, if any, or interest on any Equipment Note, or (ii) in respect of a covenant or provision hereof which under Article IX cannot be modified or amended without the consent of the holder of each Equipment Note affected. Upon any such waiver, such default shall cease to exist, and any Indenture Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 4.07. Remedies Cumulative. Each and every right, power and remedy herein given to the Loan Trustee specifically or otherwise in this Agreement shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by the Loan Trustee, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Loan Trustee in the exercise of any right, remedy or power or in the pursuance of any remedy shall impair any such right, power or remedy or be construed to be a waiver of any default on the part of the Owner Trustee or the Lessee or to be an acquiescence therein.

Section 4.08. Waiver of Owner Trustee. To the extent now or at any time hereafter enforceable under applicable law, the Owner Trustee covenants that it will not at any time insist upon or plead, or in any manner whatsoever claim or take any benefit or advantage of or from any law now or hereafter in force providing for the valuation or appraisal of the Indenture Estate or any part thereof, prior to any sale or sales thereof to be made pursuant to any provision herein contained, or prior to any applicable decree, judgment or order of any court of competent jurisdiction; nor, after such sale or sales, claim or exercise any right under any statute now or hereafter made or enacted by any state or otherwise to redeem the property so sold or any part thereof, and hereby expressly waives for itself and on behalf of each and every Person, except decree or judgment creditors of the Owner Trustee acquiring any interest in or title to the Indenture Estate or any part thereof

subsequent to the date of this Agreement, all benefit and advantage of any such law or laws, and covenants that it will not invoke or use any such law or laws, but will suffer and permit the execution of every such power as though no such law or laws had been made or enacted. Nothing in this Section 4.08 shall be deemed to be a waiver by the Owner Trustee of its rights under Section 4.04.

The Loan Trustee may maintain such a pleading, or, in any manner whatsoever, claim or take any benefit or advantage of or from any law now or hereafter in force even if it does not possess any of the Equipment Notes or does not produce any of them in the proceeding. A delay or omission by the Loan Trustee or any Holder in exercising any right or remedy accruing upon an Indenture Event of Default under this Agreement shall not impair the right or remedy or constitute a waiver of or acquiescence in such Indenture Event of Default.

Section 4.09. Control by Majority. (a) A Majority in Interest may direct the time, method and place of conducting any proceeding for any remedy available to the Loan Trustee or exercising any trust or power conferred on it by this Agreement. However, the Loan Trustee may refuse to follow any direction that conflicts with law or this Indenture, that is unduly prejudicial to the rights of the Holders so affected, or that may subject the Loan Trustee to personal liability.

(b) The Owner Trustee may pursuant to the direction and instruction of the Owner Participant by delivery of written notice (in the form of an Officer's Certificate) to the Loan Trustee set a record date to determine the Holders entitled to give any consent, request, demand, authorization, direction, notice, waiver or other act. Such record date shall be the record date specified in such notice which shall be a date not more than 30 days prior to the first solicitation of Holders in connection therewith. If such a record date is fixed, such consent, request, demand, authorization, direction, notice, waiver or other act may be given before or after such record date, but only the Holders of record at the close of business on such record date shall be deemed to be Holders for the purposes of determining whether Holders holding the requisite proportion of certificates have authorized or agreed or consented to such consent, request, demand, authorization, direction, notice, waiver or other act, and for that purpose the Equipment Notes outstanding shall be computed as of such record date; provided that no such consent, request, demand, authorization, direction, notice, waiver or other act by the Holders on such record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Agreement not later than one year after the record date.

Section 4.10. Limitation on Suits by Holders of Equipment Notes. A holder of an Equipment Note may pursue a remedy under this Indenture or thereunder only if:

- (1) such holder gives to the Loan Trustee written notice of a continuing Indenture Event of Default under this Indenture;
- (2) the holders of at least 25% in aggregate principal amount of the Equipment Notes outstanding make a written request to the Loan Trustee to pursue the remedy;
- (3) such holder or holders offer to the Loan Trustee indemnity satisfactory to the Loan Trustee against any loss, liability or expense to be, or which may be incurred by the Loan Trustee in pursuing the remedy;
- (4) the Loan Trustee does not comply with the request within 60 days after receipt of the request and the offer of indemnity; and
- (5) during such 60-day period a Majority in Interest does not give the Loan Trustee a direction inconsistent with the request.

A holder of an Equipment Note may not use this Indenture to prejudice the rights of another holder thereof or to obtain a preference or priority over another holder.

Section 4.11. Rights of Holders of Equipment Notes to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any holder of an Equipment Note to receive payment of principal of, premium, if any, and interest on such Equipment Note on or after the respective due dates expressed in such Equipment Note, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such holder.

Section 4.12. Loan Trustee May File Proofs of Claim. The Loan Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Loan Trustee and of the holder of any Equipment Notes allowed in any judicial proceedings relating to any obligor on the Equipment Notes, its creditors, or its property.

Section 4.13. Undertaking for Costs. All parties to this Indenture agree, and each holder of an Equipment Note by its acceptance thereof shall be deemed to have agreed, that in any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Loan Trustee for any action taken or omitted by it as Loan Trustee, a court in its discretion may require the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 4.13 does not apply to a suit instituted by the Loan Trustee, a suit instituted by a Holder for the

enforcement of the payment of principal of or Make-Whole Premium, if any, or interest on such Equipment Note, on or after the respective due dates expressed in such Equipment Note, or a suit by a holder or holders of more than 10% in aggregate principal amount of Equipment Notes.

ARTICLE V

DUTIES OF THE LOAN TRUSTEE

Section 5.01. Action upon Indenture Event of Default. If any payments of Interim Interest or Basic Rent or payments of the principal or interest or premium, if any, on the Equipment Notes due and payable on any Rent Payment Date shall not have been paid in full on such Rent Payment Date, the Loan Trustee shall give telephonic notice within one Business Day (followed by prompt written notice) to the Owner Trustee and the Lessee specifying the amount and nature of such deficiency in payment. In the event the Loan Trustee shall have "actual knowledge" of an Indenture Event of Default or an Indenture Default, the Loan Trustee shall give prompt notice of such Indenture Event of Default or Indenture Default or condition to the Lessee, the Owner Trustee, the Owner Participant and each Loan Participant by telegram, telex, or telephone (to be promptly confirmed in writing). In the event the Owner Trustee shall have "actual knowledge" of an Indenture Event of Default or an Indenture Default, the Owner Trustee shall give notice of such Indenture Event of Default or Indenture Default in the same manner to the Lessee, the Loan Trustee, the Owner Participant and each Loan Participant. Subject to the terms of Section 5.03, the Loan Trustee shall take such action, or refrain from taking such action, with respect to such Indenture Event of Default or Indenture Default as the Loan Trustee shall be instructed in writing by a Majority in Interest. If the Loan Trustee shall not have received instructions as above provided within 20 days after the mailing of notice of such Indenture Event of Default or such Indenture Default to the Loan Participants by the Loan Trustee, the Loan Trustee may, but shall not be obligated to, take such action, or refrain from taking such action, with respect to such Indenture Event of Default or Indenture Default as it shall determine to be advisable in the best interests of the Loan Participants. Any provision of this Section 5.01 to the contrary notwithstanding, the Loan Trustee shall not declare the Lease to be in default solely in respect of (i) the Lessee's failure to make any payment of Basic Rent after the same shall have become due, unless the 10-Day Period within which, pursuant to Section 4.04(a), the Owner Participant or the Owner Trustee are entitled to cure such failure shall have expired, or (ii) the Lessee's failure to perform or observe any of the covenants, conditions and agreements referred to in the second sentence of Section 4.04(a) within the grace period referred to in that sentence, unless the 10-day Period within which, pursuant to Section 4.04(a), the Owner Participant or the Owner Trustee is entitled to cure such failure shall have expired. For all purposes of this Indenture, in the absence of "actual knowledge", neither the Owner Trustee nor the Loan Trustee shall be deemed to have knowledge of an

Indenture Event of Default (except, in the case of the Loan Trustee, the failure of the Lessee to pay any installment of Basic Rent that is required to be paid directly to the Loan Trustee within the 10 days after the same shall become due or the failure of the Lessee to maintain insurance as required under Section 12 of the Lease if the Loan Trustee shall receive notice thereof from an insurer or insurance broker) unless notified in writing by the Lessee, the Owner Trustee, one or more Loan Participants or the Owner Participant; and "actual knowledge" (as used in the foregoing clause) of the Owner Trustee or the Loan Trustee shall mean actual knowledge of an officer in the Corporate Trust Administration department of the Owner Trustee or the Corporate Trust Division of the Loan Trustee, as the case may be, without any duty to make any investigation with regard thereto.

Section 5.02. Action upon Instructions. Subject to the terms of Sections 5.01 and 5.03, upon the written instructions at any time and from time to time of a Majority in Interest, the Loan Trustee shall take such of the following actions as may be specified in such instructions (subject to the rights of the other parties thereto, except to the extent assigned hereunder): (i) subject to and solely to the extent permitted by the terms hereof and of the Lease, give such notice, direction or consent, or exercise such right, remedy or power hereunder or under the Lease or in respect of any part or all of the Indenture Estate or take such other action as shall be specified in such instructions; and (ii) after an Indenture Event of Default shall have occurred and so long as such Indenture Event of Default shall be continuing, approve as satisfactory to it all matters required by the terms of the Lease to be satisfactory to the Owner Trustee, it being understood that without the written instructions of a Majority in Interest the Loan Trustee shall not take any action described in clauses (i) and (ii) above.

Upon (i) the expiration or earlier termination of the Lease Term with respect to any Unit under the Lease and after payment in full of the principal of and interest and premium, if any, on all Equipment Notes issued in respect of such Unit, or (ii) replacement of any Unit pursuant to Section 11.2 of the Lease, or (iii) the refinancing of the Equipment Notes pursuant to Section 10.2 of the Participation Agreement, or (iv) so long as no Indenture Event of Default shall have occurred and be continuing, the purchase of Equipment Notes by the Owner Trustee on behalf of the Owner Participant pursuant to Section 4.04(b), the Loan Trustee shall in each case, upon the written request of the Owner Trustee and receipt by the Loan Trustee of funds necessary to prepay the Equipment Notes required in connection with such termination or refinancing or to consummate such purchase, execute and deliver to, or as directed in writing by, the Owner Trustee an appropriate instrument (in due form for recording) furnished by the Owner Trustee or the Lessee releasing such property from the lien of this Indenture.

Section 5.03. Indemnification. (a) The Loan Trustee shall not be required to take any action or refrain from taking any action under Section 5.01 (other than the first two sentences thereof), Section 5.02 or Article IV if it shall have reasonable grounds for

believing that repayment of such funds or adequate indemnification against such risk is not reasonably assured to it. The Loan Trustee shall not be required to take any action under Section 5.01 or 5.02 or Article IV, nor shall any other provision of this Indenture be deemed to impose a duty on the Loan Trustee to take any action, if the Loan Trustee shall have been advised in writing by independent counsel that such action is contrary to the terms hereof or of the Lease or the Participation Agreement, or is otherwise contrary to law.

(b) Each Loan Participant may, but shall not be required to, participate in any indemnification of the Loan Trustee given pursuant to paragraph (a) of this Section 5.03. Each Loan Participant so participating shall be entitled to reimbursement for such participation in accordance with Article III.

Section 5.04. No Duties Except as Specified in Indenture or Instructions. The Loan Trustee shall not have any duty or obligation to manage, control, use, sell, dispose of or otherwise deal with the Equipment or any other part of the Indenture Estate, or to otherwise take or refrain from taking any action under, or in connection with, this Indenture, the Lease, or the Participation Agreement, except as expressly provided by the terms of this Indenture or as expressly provided in written instructions received pursuant to the terms of Section 5.01 or 5.02; and no implied duties or obligations shall be read into this Indenture against the Loan Trustee. Each of the Owner Trustee and the Loan Trustee nevertheless agrees that it will, at its own cost and expense, promptly take such action as may be necessary duly to discharge any liens or encumbrances on any part of the Indenture Estate, or on any properties of the Owner Trustee assigned, pledged or mortgaged as part of the Indenture Estate, which result from claims against it in its individual capacity not related to the ownership of the Equipment (in the case of the Owner Trustee), administration of the Indenture Estate (in the case of the Loan Trustee) or any other transaction under this Indenture or the Trust Agreement or any document included in the Indenture Estate.

Section 5.05. No Action Except Under Lease, Indenture or Instructions. The Loan Trustee agrees that it will not manage, control, use, sell, dispose of or otherwise deal with the Equipment or other property constituting part of the Indenture Estate except (i) as required by the terms of the Lease and the Participation Agreement, (ii) in accordance with the powers granted to, or the authority conferred upon, the Loan Trustee pursuant to this Indenture, or (iii) in accordance with the express terms hereof or with written instructions pursuant to Section 5.01 or 5.02.

Section 5.06. Indenture Supplements for Replacements. In the event of a Replacement Unit being substituted as contemplated by Section 11.2 of the Lease, the Owner Trustee and the Loan Trustee agree for the benefit of the Holders and the Lessee, subject to compliance by the Lessee with its obligations set forth in Section 11.2 of the Lease, as the case may be, to execute and deliver an Indenture Supplement substantially in the form of Exhibit A hereto and, provided no Lease Event of Default or Lease Default shall have

occurred and be continuing, execute and deliver to the Lessee an appropriate instrument releasing the Unit being replaced from the Lien of this Indenture.

Section 5.07. Effect of Replacements. In the event of the substitution of a Replacement Unit pursuant to Section 11.2 of the Lease, all provisions of this Indenture relating to the Unit or Units being replaced shall be applicable to such Replacement Unit with the same force and effect as if such Replacement Unit was the same Unit being replaced.

Section 5.08. Withholding Taxes. The Loan Trustee, as agent for the Owner Trustee, shall exclude and withhold from each payment of principal, premium, if any, and interest and other amounts due hereunder or under the Equipment Notes any and all withholding taxes applicable thereto as required by law. The Loan Trustee agrees to act as such withholding agent and, in connection therewith, whenever any present or future taxes or similar charges are required to be withheld with respect to any amounts payable in respect of the Equipment Notes, to withhold such amounts and timely pay the same to the appropriate authority in the name of and on behalf of the holders of the Equipment Notes, that it will file any necessary withholding tax returns or statements when due, and that, as promptly as possible after the payment thereof, it will deliver to each holder of an Equipment Note appropriate documentation showing the payment thereof, together with such additional documentary evidence as such holders may reasonably request from time to time.

ARTICLE VI

THE OWNER TRUSTEE AND THE LOAN TRUSTEE

Section 6.01. Acceptance of Trusts and Duties. The Loan Trustee accepts the trusts hereby created and applicable to it and agrees to perform the same but only upon the terms of this Indenture and agrees to receive and disburse all moneys received by it constituting part of the Indenture Estate in accordance with the terms hereof. The Loan Trustee shall not be answerable or accountable under any circumstances, except for its own willful misconduct or gross negligence or breach of any of its representations or warranties set forth herein or in the Participation Agreement, or the performance of its obligations under the last sentence of Section 5.04; and the Owner Trustee shall not be liable for any action or inaction of the Loan Trustee and the Loan Trustee shall not be liable for any action or inaction of the Owner Trustee. The Owner Trustee shall not be deemed a trustee for, or agent of, the holders of the Equipment Notes for any purpose.

Section 6.02. Absence of Duties. Except in accordance with written instructions or requests furnished pursuant to Section 5.01 or 5.02 and except as provided in, and without limiting the generality of, Section 5.04, the Loan Trustee shall have no duty to

ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the Lessee, including (i) to see to any registration of the Equipment or any recording or filing of the Lease, or of this Indenture or any other document, or to see to the maintenance of any such registration, recording or filing, (ii) to see to any insurance on the Equipment or to effect or maintain any such insurance, whether or not the Lessee shall be in default with respect thereto, (iii) to confirm, verify or inquire into the failure to receive any financial statements of the Lessee or (iv) to inspect the Equipment at any time or ascertain or inquire as to the performance or observance of any of the Lessee's covenants under the Lease with respect to the Equipment. Notwithstanding the foregoing, the Loan Trustee will furnish to any Loan Participant, so long as such Loan Participant or its nominees shall hold any of the Equipment Notes, promptly upon receipt thereof, duplicates or copies of all reports, notices, requests, demands, certificates, financial statements and other instruments furnished to the Loan Trustee under this Indenture, to the extent that the same shall not have been furnished to the Loan Trustee and the Loan Participants pursuant to the Lease.

Section 6.03. No Representations or Warranties as to the Equipment or Documents. NEITHER THE OWNER TRUSTEE NOR THE OWNER TRUSTEE IN ITS INDIVIDUAL CAPACITY NOR THE LOAN TRUSTEE MAKES OR SHALL BE DEEMED TO HAVE MADE (i) ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE VALUE, CONDITION, DESIGN, OPERATION, MERCHANTABILITY OR FITNESS FOR USE OF THE EQUIPMENT OR AS TO THEIR TITLE THERETO, OR ANY OTHER REPRESENTATION OR WARRANTY WITH RESPECT TO THE EQUIPMENT WHATSOEVER, except that the Owner Trustee in its individual capacity hereby represents and warrants that on the Funding Date with respect to any Unit the Owner Trustee received whatever title was conveyed to it by the Manufacturer and that the Equipment shall be free of Lessor's Liens attributable to the Owner Trustee in its individual capacity, or (ii) any representation or warranty as to the validity, legality or enforceability of this Indenture, the Trust Agreement, the Participation Agreement, the Equipment Notes, the Lease, any Lease Supplement, or any Indenture Supplement or any other document or instrument or as to the correctness of any statement contained in any thereof (except as to the representations and warranties made by the Owner Trustee in its individual capacity as set forth in Section 3.1 of the Participation Agreement), except that (x) the Owner Trustee and the Loan Trustee each in its individual capacity hereby represents and warrants that each of said specified documents to which it is a party has been or will be duly executed and delivered by one of its officers who is and will be duly authorized to execute and deliver such document on its behalf, and (y) the Owner Trustee hereby in its individual capacity represents and warrants that Shawmut Bank Connecticut, National Association, a national banking association, has the full power, authority and legal right under the laws of the United States of America to enter into and perform, in its individual capacity or as Owner Trustee, as the case may be, the Trust Agreement and, assuming the due authorization, execution and delivery of the Trust Agreement by the Owner Participant,

pursuant thereto, this Indenture, the Participation Agreement and the Lease, and, assuming the due authorization, execution and delivery of the Trust Agreement by the Owner Participant, the execution, delivery and performance of each of such documents have been duly authorized on the part of Shawmut Bank Connecticut, National Association, and of the Owner Trustee, as the case may be.

Section 6.04. No Segregation of Moneys; No Interest; Investments.

(a) Subject to Section 6.04(b), no moneys received by the Loan Trustee hereunder need be segregated in any manner except to the extent required by law, and any such moneys may be deposited under such general conditions for the holdings of trust funds as may be prescribed by law applicable to the Loan Trustee, and, except as otherwise agreed by the Owner Trustee or the Loan Trustee, as the case may be, neither the Owner Trustee nor the Loan Trustee shall be liable for any interest thereon.

(b) Any amounts held by the Loan Trustee pursuant to the express terms of this Indenture or the Lease and not required to be distributed as herein provided shall be invested and reinvested by the Loan Trustee from time to time in Permitted Investments at the written direction and at the risk and expense of the Lessee, except that in the absence of any such direction, such amounts need not be invested and reinvested and except that after a Lease Event of Default shall have occurred and be continuing, such amounts shall be so invested and reinvested by the Loan Trustee in Indenture Investments and the Loan Trustee shall hold any such Indenture Investments until maturity. Any net income or gain realized as a result of any such investments or reinvestment shall be held as part of the Indenture Estate and shall be applied by the Loan Trustee at the same times, on the same conditions and in the same manner as the amounts in respect of which such income or gain was realized are required to be distributed in accordance with the provisions hereof or of the Lease pursuant to which such amounts were required to be held and if no Lease Event of Default shall have occurred and be continuing any excess shall be paid to the Lessee. Any such Permitted Investments or Indenture Investments may be sold or otherwise reduced to cash (without regard to maturity date) by the Loan Trustee whenever necessary to make any application as required by such provisions. The Loan Trustee shall have no liability for any loss resulting from any such investment or reinvestment other than by reason of the willful misconduct or gross negligence of the Loan Trustee.

Section 6.05. Reliance; Agents; Advice of Counsel. The Loan Trustee shall incur no liability to anyone acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper believed by it to be genuine and believed by it to be signed by the proper party or parties. The Loan Trustee may accept a copy of a resolution of the Board of Directors of any party to the Participation Agreement, certified by the Secretary or an Assistant Secretary of such party as duly adopted and in full force and effect, as conclusive evidence that such resolution has been duly adopted by said Board and that the same is in full force and effect. As to any fact or matter

the manner of ascertainment of which is not specifically described herein, the Loan Trustee may for all purposes hereof rely on a certificate, signed by an officer of the Lessee, as to such fact or matter, and such certificate shall constitute full protection to the Loan Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon. The Loan Trustee shall furnish to the Owner Trustee upon request such information and copies of such documents as the Loan Trustee may have and as are necessary for the Owner Trustee to perform its duties under Article II. The Loan Trustee shall assume, and shall be fully protected in assuming, that the Owner Trustee is authorized by the Trust Agreement to enter into this Indenture and to take all action permitted to be taken by it pursuant to the provisions hereof, and shall not inquire into the authorization of the Owner Trustee with respect thereto. In the administration of the trusts hereunder, the Loan Trustee may execute any of the trusts or powers hereof and perform its powers and duties hereunder directly or through agents or attorneys and may, at the expense of the Indenture Estate, consult with independent counsel, accountants and other skilled persons to be selected and employed by it, and the Loan Trustee shall not be liable for anything done, suffered, or omitted in good faith by it in accordance with the written advice or opinion of any such independent counsel, accountants or other skilled persons acting within such persons' area of competence (so long as the Loan Trustee shall have exercised reasonable care in selecting such persons).

Section 6.06. Not Acting in Individual Capacity. The Owner Trustee and the Loan Trustee each acts hereunder solely as trustee hereunder and, in the case of the Owner Trustee, under the Trust Agreement and not in its individual capacity unless otherwise expressly provided; and all Persons, other than the holders of Equipment Notes to the extent expressly provided in this Indenture, having any claim against the Owner Trustee or the Loan Trustee by reason of the transactions contemplated hereby shall, subject to the lien and priorities of payment as herein provided, look only to the Indenture Estate for payment or satisfaction thereof.

Section 6.07. No Compensation from Loan Participants or Indenture Estate. The Owner Trustee and the Loan Trustee agree that they shall have no right against the holders of the Equipment Notes or, in the case of the Loan Trustee, except as provided in Sections 3.03 and 4.03, the Indenture Estate, for any fee as compensation for its services hereunder.

ARTICLE VII

SUCCESSOR TRUSTEES

Section 7.01. Notice of Successor Owner Trustee. In the case of any appointment of a successor to the Owner Trustee pursuant to the Trust Agreement or any merger, conversion, consolidation or sale of substantially all the business involving the Owner Trustee pursuant to the Trust Agreement, the successor Owner Trustee shall give prompt written notice thereof to the Loan Trustee, the Lessee and the holders of all Equipment Notes at the time outstanding.

Section 7.02. Resignation of Loan Trustee; Appointment of Successor.

(a) The resignation or removal of the Loan Trustee and the appointment of a successor Loan Trustee shall become effective only upon the successor Loan Trustee's acceptance of appointment as provided in this Section 7.02. The Loan Trustee or any successor thereto may resign at any time without cause by giving at least 30 days' prior written notice to the Owner Trustee, the Lessee and the holders of the Equipment Notes. A Majority in Interest may at any time remove the Loan Trustee without cause by an instrument in writing delivered to the Owner Trustee, the Lessee and the Loan Trustee. In addition, the Lessee, on behalf of the Owner Trustee, may remove the Loan Trustee if: (i) the Loan Trustee fails to comply with Section 7.02(c), (ii) the Loan Trustee is adjudged a bankrupt or an insolvent, (iii) a receiver or public officer takes charge of the Loan Trustee or its property or (iv) the Loan Trustee becomes incapable of acting.

In the case of the resignation or removal of the Loan Trustee, the Lessee, on behalf of the Owner Trustee, shall promptly appoint a successor Loan Trustee, provided that a Majority in Interest may appoint, within one year after such resignation or removal, a successor Loan Trustee which may be other than the successor Loan Trustee appointed as provided above, and such successor Loan Trustee appointed as provided above shall be superseded by the successor Loan Trustee so appointed by a Majority in Interest. If a successor Loan Trustee shall not have been appointed and accepted its appointment hereunder within 60 days after the Loan Trustee gives notice of resignation as provided above, the retiring Loan Trustee, the Lessee, the Owner Trustee or a Majority in Interest may petition any court of competent jurisdiction for the appointment of a successor Loan Trustee. Any successor Loan Trustee so appointed by such court shall immediately and without further act be superseded by any successor Loan Trustee appointed as provided in the proviso to the fifth sentence of this paragraph (a) within one year from the date of the appointment by such court.

(b) Any successor Loan Trustee, however appointed, shall execute and deliver to the Owner Trustee and the Lessee and to the predecessor Loan Trustee an instrument accepting such appointment, and thereupon such successor Loan Trustee, without

further act, shall become vested with all the estates, properties, rights, powers, duties and trusts of the predecessor Loan Trustee hereunder in the trusts hereunder applicable to it with like effect as if originally named the Loan Trustee herein; but nevertheless, upon the written request of such successor Loan Trustee, such predecessor Loan Trustee shall execute and deliver an instrument transferring to such Loan Trustee, upon the trusts herein expressed applicable to it, all the estates, properties, rights, powers and trusts of such predecessor Loan Trustee, and such Loan Trustee shall duly assign, transfer, deliver and pay over to such successor Loan Trustee all moneys or other property then held by such predecessor Loan Trustee hereunder.

(c) The Loan Trustee shall be a bank or trust company having a combined capital and surplus of at least \$100,000,000, if there be such an institution willing, able and legally qualified to perform the duties of the Loan Trustee hereunder upon reasonable or customary terms.

(d) Any corporation into which the Loan Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Loan Trustee shall be a party, or any corporation to which substantially all the business of the Loan Trustee may be transferred, shall, subject to the terms of paragraph (c) of this Section, be the Loan Trustee under this Indenture without further act.

(ii) to correct or amplify the description of any property at any time subject to the lien of this Indenture or better to assure, convey and confirm unto the Loan Trustee any property subject or required to be subject to the lien of this Indenture; or

(iii) to evidence the succession of another trustee to the Owner Trustee and the assumption by any such successor of the covenants of the Owner Trustee herein and in the Equipment Notes contained, or to evidence (in accordance with Article VII) the succession of a new Loan Trustee hereunder; or

(iv) to add to the covenants of the Owner Trustee, for the benefit of the holders of the Equipment Notes, or to surrender any right or power herein conferred upon the Owner Trustee; or

(v) to cure any ambiguity, to correct or supplement any provision herein which may be defective or inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising hereunder so long as any such action does not adversely affect the interests of the Holders;

provided that without the consent of the Lessee, no such supplement to this Indenture or waiver or modification of the terms hereof shall alter or modify Article III or IX, the provisions of the proviso to Section 4.03(a) or Section 2.01, 2.04, 2.09 or 4.05.

(b) Supplemental Indentures with Consent of Majority in Interest. With the written consent of a Majority in Interest, the Owner Trustee may, and the Loan Trustee, subject to Section 8.02, shall, at any time and from time to time, enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights and obligations of holders of the Equipment Notes and of the Owner Trustee under this Indenture; provided, however, without the consent of each holder of an Equipment Note affected thereby, no such supplemental indenture shall:

(1) change the final maturity of the principal of any Equipment Note, or change the dates or amounts of payment of any installment of the principal of or premium, if any, or interest on any Equipment Note, or reduce the principal amount thereof or the premium, if any, or interest thereon, or change to a location outside the United States the place of payment where, or the coin or currency in which, any Equipment Note or the premium, if any, or interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment of principal or premium, if any, or interest on or after the date such principal or premium, if any, or interest becomes due and payable; or

(2) create any lien with respect to the Indenture Estate ranking prior to, or on a parity with, the security interest created by this Indenture except such as are permitted by this Indenture, or deprive any holder of an Equipment Note of the benefit of the lien on the Indenture Estate created by this Indenture; or

I-39

(3) reduce the percentage in principal amount of the Equipment Notes, the consent of whose holders is required for any such supplemental indenture, or the consent of whose holders is required for any waiver (of compliance with certain provisions of this Indenture, or of certain defaults hereunder and their consequences) provided for in this Indenture; or

(4) modify any provisions of this Section 8.01(b), except to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the holder of each Equipment Note affected thereby;

provided that without the consent of the Lessee, no such supplement to this Indenture or waiver or modification of the terms hereof shall alter or modify Article III or IX, the provisions of the proviso to Section 4.03(a) or Section 2.01, 2.04, 2.09 or 4.05.

Section 8.02. Loan Trustee Protected. If in the opinion of the Loan Trustee any document required to be executed pursuant to the terms of Section 8.01 adversely affects any right, duty, immunity or indemnity in favor of the Loan Trustee under this Indenture, the Participation Agreement or the Lease, the Loan Trustee may in its discretion decline to execute such document. In executing or accepting any supplemental indenture, the Loan Trustee shall be entitled to receive, and shall be fully protected in relying upon, an opinion of counsel stating that such supplemental indenture is authorized or permitted by this Indenture.

Section 8.03. Request of Substance, Not Form. It shall not be necessary for the consent of the Holders under Section 8.01(b) to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof. In executing or accepting any supplemental indenture, the Loan Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel stating that such supplemental indenture is authorized or permitted by this Indenture.

Section 8.04. Documents Mailed to Holders. Promptly after the execution by the Loan Trustee of any document entered into pursuant to Section 8.01(b), the Loan Trustee shall mail, by first-class mail, postage prepaid, a conformed copy thereof to each holder of an Equipment Note at its address last known to the Loan Trustee, but the failure of the Loan Trustee to mail such conformed copies shall not impair or affect the validity of such document.

I-40

(a) Subject to the provisions of subsection (b) of this Section 8.05, the respective parties to the Lease, the Trust Agreement and the Participation Agreement, at any time and from time to time without the consent of the Loan Trustee or of any holder of an Equipment Note, may:

(1) modify, amend or supplement the Lease, or give any consent, waiver, authorization or approval with respect thereto, except that without the consent of a Majority in Interest (or, in the event an Indenture Event of Default shall have occurred and be continuing, the consent of the Loan Trustee), the parties to the Lease shall not modify, amend or supplement, or give any consent, waiver, authorization or approval for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder, with respect to the following provisions of the Lease: Section 2, Section 3 (other than Section 3.5 or as such Section may be amended pursuant to Section 2.6 of the Participation Agreement as originally executed), Section 4, Section 5, Section 7, Section 8.2, Section 8.3, Section 10 (except that (i) additional requirements may be imposed on the Lessee's ability to terminate the Lease with respect to a Unit and (ii) additional requirements may be imposed on the Lessee's ability to substitute a Replacement Unit for any Unit subject to the Lease)), Section 11 (except that additional requirements may be imposed on the Lessee's ability to replace a Unit subject to an Event of Loss), Section 12 (except that additional insurance requirements may be imposed on the Lessee), Section 13.2, Section 14, Section 15, Section 17, Section 19.1, Section 24 (insofar as it applies to the Lessee's obligations), Section 25.1(e) and any definition of terms used in the Lease, to the extent that any modification of such definition would result in a modification of the Lease not permitted pursuant to this subsection (a);

(3) modify, amend or supplement the Participation Agreement, or give any consent, waiver, authorization or approval with respect thereto, except that without the consent of a Majority in Interest (or, in the event an Indenture Event of Default shall have occurred and be continuing, the consent of the Loan Trustee), the parties to the Participation Agreement shall not modify, amend or supplement, or give any consent, waiver, authorization or approval for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder, with respect to the following provisions of the Participation Agreement: Sections 2.2, 2.3, 3, 4, 7 (insofar as such Section relates to the Loan Trustee and the Holders) and Section 10.13, each provision of the Participation Agreement which specifically refers to the Loan Trustee, any Loan Participant or any holder of a Pass Through Certificate and any definition of terms used in the Participation Agreement, to the extent that any modification of such definition would result in a modification of the Participation Agreement not permitted pursuant to this subsection (a); and

With respect to each Unit, this Indenture and the trusts created hereby shall terminate and this Indenture shall be of no further force or effect upon the earliest to occur of (i) the termination of the Lease with respect to such Unit by the Lessee pursuant to Section 11 thereof and upon payment in full to

the Loan Trustee of the amounts required to be paid pursuant to Section 2.09(a) in respect of such Unit, (ii) the termination of the Lease with respect to such Unit pursuant to Section 10 thereof and upon payment in full to the Loan Trustee of the amounts required to be paid pursuant to Section 2.09(b) in respect of such Unit, (iii) the termination of the Lease with respect to such Unit by the Lessee pursuant to Section 22 thereof and upon payment in full to the Loan Trustee of the amounts required to be paid pursuant to Section 2.09(d) in respect of such Unit, (iv) the termination of the Lease with respect to such Unit by the Lessee pursuant to Section 11.2 thereof, and (v) the payment in full of the principal amount of and interest on all the Equipment Notes outstanding hereunder and all other sums payable to the Loan Trustee and the holders of the Equipment Notes hereunder and under such Equipment Notes under the Participation Agreement.

No delay or omission by the Loan Trustee in the exercise of any right, remedy or power or in the pursuance of any remedy shall impair any such right, power or remedy or be construed to be waiver of any default on the part of the Owner Trustee or the Lessee to be an acquiescence therein.

In making such determination, costs of removal from the location of current use shall not be a deduction from such rental or purchase price and it shall be assumed that the Units have been collected in one place on the lines of the Lessee as directed by the Lessor. Fair Market Rental Value or Fair Market Sales Value of any Unit shall be determined on the assumption that such Unit is in the condition and state of repair required under Section 8.1 of

the Lease and that Lessee is in compliance with the Lease and the other Operative Agreements.

If the parties are unable to agree upon a Fair Market Rental Value and/or a Fair Market Sales Value within 30 days after delivery of the appropriate notice pursuant to Section 22 of the Lease or if Fair Market Rental Value or Fair Market Sales Value are to be determined for the purposes of Section 15 of the Lease, such values shall be determined by the following appraisal procedure. Determinations under this appraisal procedure shall be conclusively binding on both the Lessor and the Lessee. If either the Owner Participant or the Lessee shall have given written notice to the other requesting determination of such rental or purchase price by this appraisal procedure, such parties shall consult for the purpose of appointing a qualified independent appraiser by mutual agreement. If no such appraiser is so appointed within 15 Business Days after such notice is given, each such party shall appoint an independent appraiser within 20 Business Days after such notice is given, and the two appraisers so appointed shall within 15 Business Days after such notice is given appoint a third independent appraiser. If no such third appraiser is appointed within 15 Business Days after such notice is given, either such party may request the American Arbitration Association to make such appointment, and both parties shall be bound by any appointment so made. Any appraiser or appraisers appointed pursuant to the foregoing procedure shall be instructed to determine the Fair Market Rental Value or the Fair Market Sales Value, as the case may be, of the Units then to be appraised, within 30 days after his or their appointment. If such parties shall have appointed a single appraiser or if either such party shall have failed to appoint an appraiser, the determination of Fair Market Rental Value or Fair Market Sales Value, as the case may be, of the single appraiser appointed shall be final. If three appraisers shall be appointed, the determination of the appraiser which differs most from that of the other two appraisers shall be excluded, the remaining two determinations shall be averaged and such latter average shall be final and binding as the Fair Market Rental Value or Fair Market Sales Value, as the case may be. The appraisal proceedings shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association as in effect on the date hereof, except as modified hereby. The provision for this appraisal procedure shall be the exclusive means of determining Fair Market Rental Value or Fair Market Sales Value, as the case may be, and shall be in lieu of any judicial or other procedure for the determination thereof, and each party to the Lease hereby consents and agrees not to assert any judicial or other procedures. If a mutually acceptable appraiser is selected, Lessor and Lessee shall each bear one half of the cost thereof.
